We must and can work together to ensure safety and dignity for all.

William L. Swing
Former IOM Director General

IOM works with government and civil society organizations to:

- Address the challenges posed by migration management
- Encourage social and economic development through migration
- Advocate for migrants' human rights

Partners: Ministry of National Security, Ministry of Labour, TTV Solidarity Network, Childline, Family Planning Association of Trinidad and Tobago and others.

What is IOM?

IOM is the United Nations Migration Agency. The work of IOM is enshrined in the principle that when migration policies are implemented in an orderly manner under humane conditions, both migrants and the host community benefit.
